

TEN is a collection of multipurpose chairs characterised by its light, pure and timeless design. The collection comprises chairs with two different frames: four-legged and sled base. Both versions are stackable and can optionally be fitted with a detachable writing tablet. The seats and backrests can be upholstered in any leather or fabric from the INCLASS swatch cards or in fabrics supplied or specified by the customer. The refined neutral design and wide range of finishes available allow its use in diverse environments and spaces.

ECOLOGY

INCLASS production processes are certified according to environmental ISO 14001 quality standards and are carried out through the reduction of waste and energy consumption in order to minimise any impact on the environment.
