

TAO is a collection of stools with a minimalist and timeless design inspired by the aesthetics of oriental architecture. The collection comprises stools, with either a wooden or upholstered seats, available in two heights. The wooden seats are offered in lacquered colours or in beech, oak and walnut veneers. The upholstered seats are available with three different upholstery patterns. The wide range of finishes available for the seats and frames, together with its light and pure design, make them ideal for restaurants, bars, coffee shops, break-out areas and private residences.
