## PAU

**PAU** is a versatile collection of upholstered modular elements that can be arranged in an endless number of layouts to adapt to the most diverse architectural styles and settings. The collection is made up of upholstered elements of different sizes, manufactured with or without backrests and that can be fitted with wooden, upholstered or metallic arms. The sofas can be upholstered in all leathers or fabrics from the INCLASS swatch cards as well as other fabrics supplied or specified by the customer. The variety of elements and the scope of possibilities for layout facilitate its integration into all kinds of settings.

An aesthetic quality of essential, pure and timeless lines allows the pieces of this collection to easily fit into and occupy all types of settings.

## PAU

PAU sofas can incorporate upholstered panels to create areas of privacy within open-plan offices or large waiting areas. In this way, the sofas become small areas of privacy that are suitable for carrying out informal meetings. The panels can be complete or be fitted at the back only.
