

LUND is a collection of sofas and armchairs designed to inhabit modern waiting areas, lounge spaces or private residences. With a balanced and calm design, the LUND armchairs have been designed to provide elegance and comfort to the environments where they are placed. The armchairs are available with two types of armrests and two upholstery variants. The first combines the upholstery with an enveloping oak mono-shell and the second features a fully upholstered seat.

ECOLOGY

Product environmental data sheet [+info](#)

INCLASS production processes are certified according to environmental ISO 14001 quality standards and are carried out through the reduction of waste and energy consumption in order to minimise any impact on the environment.

ISO 14001 certificate [+info](#)

QUALITY STANDARDS

ISO 9001 certificate [+info](#)

The quality management system of INCLASS is certified in accordance with ISO 9001 in all the design, manufacturing and sales procedures of its products.

ANSI/BIFMA X5.4:2012

INCLASS products have been extensively tested to exceed industry testing standards at AIDIMME. AIDIMME is member of the European network INNOVAWOOD and its testing laboratories are accredited by ENAC.
