

The VARYA TAPIZ collection gather all the upholstered versions in the VARYA family keeping the same transversal and timeless spirit of the collection with plastic seats. With its many versions the collection configure one of the largest and most complete ranges on the market. An extensive family of chairs, armchairs, stools and benches that are generated by combining comfortable mono-shells, available with three different patterns of upholstery: soft, plain or horizontal stitching, with a broad range of base types. The wide variety of possible combinations and finishes enables the configuration of endless customized designs that can easily fit into diverse environments both public and private keeping always a coherent project aesthetic.

ECOLOGY

Product environmental data sheet [+info](#)

INCLASS production processes are certified according to environmental ISO 14001 quality standards and are carried out through the reduction of waste and energy consumption in order to minimise any impact on the environment.
ISO 14001 certificate [+info](#)

● Products marked with a green dot have achieved GREENGUARD Gold Certification. GREENGUARD Gold Certificate [+info](#)

QUALITY STANDARDS

ISO 9001 certificate [+info](#)

The quality management system of INCLASS is certified in accordance with ISO 9001 in all the design, manufacturing and sales procedures of its products.

ANSI/BIFMA X5.1:2017.

INCLASS products have been extensively tested to exceed industry testing standards at AIDIMME. AIDIMME is member of the European network INNOVAWOOD and its testing laboratories are accredited by ENAC.

Take a look at the certificates available in the VARYA collection of plastic. The upholstery hardly influences in the strength, durability and safety test results.
