

Designed by Jonathan Prestwich, the ESSENS tables combine versatility, beauty and harmonious proportions. The meeting point between two essential volumes in equilibrium generates a table base with a sculptural outline. The highly transversal ESSENS programme of tables comprises six types of 100% recyclable polyethylene table bases that allow composing tables in an endless variety of formats and sizes. The original design makes possible to configure tables with a single top or tables by sections of endless size. The bases have been designed to easily solve cable management. The tables can be equipped with different sockets, chargers, connections and accessories. The multiple possibilities of base and top combinations, together with the extensive range of available finishes, allows for endless customisation possibilities.

ECOLOGY

Product environmental data sheet [+info](#)

INCLASS production processes are certified according to environmental ISO 14001 quality standards and are carried out through the reduction of waste and energy consumption in order to minimise any impact on the environment.

ISO 14001 certificate [+info](#)

QUALITY STANDARDS

ISO 9001 certificate [+info](#)

The quality management system of INCLASS is certified in accordance with ISO 9001 in all the design, manufacturing and sales procedures of its products.

UNE-EN 15372:2017.

ANSI/SOHO S6.5:2008.

INCLASS products have been extensively tested to exceed industry testing standards at AIDIMME. AIDIMME is member of the European network INNOVAWOOD and its testing laboratories are accredited by ENAC.
