Il sistema di divani modulari per l'outdoor living

Una struttura metallica che unisce supporto ed estetica con schienali fatti in tessuto a maglia 3D, sui quali si appoggiano i cuscini imbottiti.

Un divano comodo e pratico che permette di creare facili abbinamenti e combinazioni tra i vari moduli per rispondere a tutte le esigenze di uno spazio outdoor.

The modular sofa system for outdoor living

A metal structure that combines support and aesthetics with backrests made of 3D knitted fabric on which the upholstered cushions rest.

A comfortable and practical sofa that allows easy matches and combinations among the various modules to meet all the needs of an outdoor space.
